Items Requiring a Vote

2012 - 2013 Board of Trustees

Keith Jefferson read the Board nominating process and presented the 2012 nominees on behalf of the nominating committee.

- Carol Mastenbrook: Sees the organization as coming out of a storm into something greater; wants to be a part of that.
- Anne Masterson, RScP: Grateful for this opportunity, it is important to give and to grow; is not here to solve anything but to recognize the elephant in the room and address the issues directly.
- Jeff Pettross, RScP: Seen significant growth in himself and the organization, we are always evolving. Wants to be a part of the growth, the change, and the movement.
- Frank Selden: (video presentation, on National Guard weekend duty) Has been a part of the church for a year and a half, history as 7th Day Adventist and southern Baptist minister, church administration and legal expertise. Honored to be a part of this community and to have the opportunity to give back what he can from his skill set.

There were no nominations from the floor. Denise McDonald made a motion to ratify the slate of candidates. Constance Welch seconded. Nominations passed unanimously.

Senior Minister's Report

Kathianne Lewis gave the 2011 Accomplishments and Future Vision

- We are continually adding new things to deepen our impact
- Ever expanding and ever improving
- We give a lot and try to provide more for our community, without asking people to give in return
- People love this church. How can we do more for the church?
- Been functioning on the "I can do it better / it's easier to do it myself" model. All our staff are trying to do it themselves, and that is not sustainable.
 - How do I enroll the congregation to go farther beyond what we can do?
 - The church is evolving.

Vision for the Future:

- We are growing because people who love this church, and love their friends, want to give people an opportunity to live life differently. People can't keep themselves from talking about how good their life is, and how great this church is.
- We need to de-centralize responsibilities.
- We multiply ourselves and our consciousness.

Closing

- Freddie Barrett led the meeting in reading together the Sacred Covenant Easy Prayer.
- Freddie Barrett adjourned the meeting at 1:49pm.

Sacred Covenant Easy Prayer

There is only One Life! This Life is Good! This Life is God! This Life is my Life now! In knowing that I am 'one' with this Life that is God...I therefore know that I am 'one' with each and every one of Its blessed expressions, which includes this beloved revelation called **Center for Spiritual Living Seattle**. Because I know that the highest Purpose of this Community is to glorify God, I therefore know that this Community is a revelation of God as **FREEDOM**. As I stand alone in the High Altar of Consciousness, I see this Community revealed before me as **Financial Well-Being for All!**

I participate in this Community in full cooperation and agreement with my beloved partners, knowing the Truth about myself, for:

1. I am celebrating my successes.
2. I have more than enough money to do what I want to do.
3. I am creating a culture of generous giving and receiving.
4. I nurture and experience a deep sense of belonging and commitment.
5. I am cultivating spiritual maturity.
6. I gracefully and fully utilize my resources.
7. I effectively communicate internally and externally.
8. I am fully supported and financially prospered in the fulfillment of these intentions.

I know that this Community is supported by the Word of God, for it is written: "**Prosperity awaits [my] recognition and acceptance.**" ~Ernest Holmes

As I now accept the highest expression of this Community into my life, I know that it is revealed in a way that glorifies God and serves the highest and greatest good of all who are touched by its unfoldment. I am grateful God is gracious. So be it now! Amen.
