Sacred Covenant Easy Prayer

There is only One Life! This Life is Good! This Life is God! This Life is my Life now! In knowing that I am 'one' with this Life that is God...I therefore know that I am 'one' with each and every one of Its blessed expressions, which includes this beloved revelation called **Center for Spiritual Living Seattle**. Because I know that the highest Purpose of this Community is to glorify God, I therefore know that this Community is a revelation of God as **FREEDOM**. As I stand alone in the High Altar of Consciousness, I see this Community revealed before me as **Financial Well-Being for All!**

I participate in this Community in full cooperation and agreement with my beloved partners, knowing the Truth about myself, for:

1. I am celebrating my successes.
2. I have more than enough money to do what I want to do.
3. I am creating a culture of generous giving and receiving.
4. I nurture and experience a deep sense of belonging and commitment.
5. I am cultivating spiritual maturity.
6. I gracefully and fully utilize my resources.
7. I effectively communicate internally and externally.
8. I am fully supported and financially prospered in the fulfillment of these intentions.

I know that this Community is supported by the Word of God, for it is written: "**Prosperity awaits [my] recognition and acceptance.**" ~Ernest Holmes

As I now accept the highest expression of this Community into my life, I know that it is revealed in a way that glorifies God and serves the highest and greatest good of all who are touched by its unfoldment. I am grateful God is gracious. So be it now! Amen.
